1 October 2024

Dear Shareholder,

2024 Annual General Meeting

I am pleased to attach Notice of the Annual General Meeting (the "AGM") of the Company which is to be held on Friday 25 October 2024 at 3:00 pm at the offices of Cooley (UK) LLP at 22 Bishopsgate, London EC2N 4BQ.

A proxy form for voting at the AGM is enclosed for you to complete in accordance with the instructions printed on it and return to our registrars, Equiniti Limited, Aspect House, Spencer Road, Lancing, BN99 6DA, no later than 3:00 pm on Wednesday 23 October 2024. Lodgement of the form of proxy will not prevent you from attending and voting at the AGM if you subsequently wish to do so.

Resolutions 1 to 6 will be proposed as ordinary resolutions; more than 50% of the votes cast must vote in favour of these resolutions in order for them to be passed. Resolutions 7 and 8 will be proposed as special resolutions and 75% or more of the votes cast must vote in favour of these resolutions in order for such resolutions to be passed.

The resolutions to be proposed are explained in further detail below.

Resolution 1 – Reports and Financial Statements

Shareholders will be asked to approve the adoption of the enclosed Reports and Financial Statements for the year ended 30 April 2024 (the "Accounts").

A copy of the Accounts is available on the Company's website at: <https://www.scancell.co.uk/investors/financial-info>.

Resolutions 2 and 3 – Appointment and remuneration of Auditors

The Company is required to appoint auditors at each general meeting at which accounts are laid before the shareholders. The auditors are appointed from the conclusion of the forthcoming AGM until the conclusion of next year's AGM.

As detailed in the Accounts, following the conclusion of a competitive tender process and the recommendation of the audit committee, the board of directors of the Company (the "Board" or "Directors") has approved the proposed appointment of RSM UK Audit LLP as the Company's new auditors. Full details of the process are provided in the audit committee report set out in the Accounts. As a result of this, the Board is recommending the appointment of RSM UK Audit LLP as the Company's auditors until the conclusion of next year's AGM and to authorise the Directors to set their fees.

Resolutions 4 and 5 – Election of Directors

Under the Articles of Association, the Directors appointed Dr Florian Reinaud as a Non-Executive Director on 9 July 2024 and Sath Nirmalanathan as an Executive Director on 14 March 2024, each being eligible for election as a director, a resolution is proposed to confirm their respective appointments.

Resolution 4 – Election of Director, Dr Florian Reinaud

Dr Florian Reinaud is an accomplished life sciences professional who brings over 20 years of leadership and investment experience across established pharmaceutical companies, start-ups and healthcare investment organisations. He is currently on the investment team at Redmile, an investment firm that focuses on the healthcare sector. Prior to joining Redmile, Florian has worked at Apax Partners, DBV technologies, CDC Innovation Capital and co-founded and served as CEO of Concilio. Florian holds a BA (hons) in Physiology from Oxford University, as well as a medical degree from Imperial College London School of Medicine.

Resolution 5 - Election of Director, Sath Nirmalanathan

Sath Nirmalanathan is an experienced finance professional with over 15 years of experience across healthcare in FTSE and NASDAQ listed companies, investment banking and audit. Before joining Scancell, Sath was CFO for Europe, Middle-East and Africa at Prenetics, a leading genomics-driven health sciences company. Prior to that, Sath worked at Reckitt where he was Finance Director for Group Reporting and subsequently for eCommerce in Reckitt's Health Division. Sath has also held senior positions at BTG plc and, earlier in his career, he was an equity research analyst in the healthcare team at Nomura and prior to that an auditor at KPMG. Sath earned a BSc in Pharmacology from King's College, London, UK and holds an ACA (ICAEW), Chartered Accountant qualification. Sath is also a Non-Executive member of the audit committee at The Institute of Cancer Research.

Resolution 6 – Permission for the Directors to allot further shares

This resolution deals with the Directors' authority to allot shares or to grant rights to subscribe for or to convert any security into shares in accordance with section 551 of the Companies Act 2006 (the "Act"). If passed, this resolution would authorise the Directors to allot and to grant rights to subscribe for or to convert any security into shares:

- (i) in any case other than in paragraph (ii) of this resolution, any shares up to a maximum nominal amount of £309,866.66 which represents approximately one third of the Company's issued share capital. This maximum is reduced by the nominal amount of any equity securities previously allotted or rights granted under a pre-emptive offer pursuant to paragraph (ii) of this resolution in excess of £309,866.66;
- (ii) in relation to a pre-emptive issue only, equity securities (as defined by section 560 of the Act) up to a maximum nominal amount of £619,733.32, which represents approximately two thirds of the Company's issued share capital. This maximum is reduced by the nominal amount of any shares which have previously been allotted or rights granted under paragraph (i) of this resolution.

Therefore, the maximum nominal amount of shares (including equity securities) which may be allotted, or in respect of which rights to subscribe for or convert into shares may be granted, under this resolution is £619,733.32 but no more than £309,866.66 may be allotted or rights granted over them without a pre-emptive offer to shareholders. As at the close of business on 30 September 2024, being the latest practicable date prior to publication of the notice of AGM, the Company did not hold any treasury shares. The authority granted by this resolution will expire on 25 January 2026 or, if earlier, the date of the next AGM of the Company. The Directors do not currently plan to make any immediate allotment of shares under this authority, except pursuant to any exercise of options already granted.

Resolution 7 – Renewal of the power to dis-apply pre-emption rights

If passed, this special resolution would give the Directors power, pursuant to the authority granted by resolution 6, to allot equity securities (as defined by section 560 of the Act) or sell treasury shares for cash without first offering them to existing shareholders in proportion to their existing holdings. The maximum nominal value of ordinary shares to be covered under the power, with the exception of a rights issue or other pre-emptive offer, is £185,920.00, which represents approximately 20% of the ordinary share capital of the Company.

The power granted by this resolution will expire on 25 January 2026 or, if earlier, the date of the next AGM of the Company.

Resolution 8 – Authority to buy back up to 10% of the Company's issued share capital

This special resolution would allow the Company to buy back up to 92,959,998 of its issued ordinary shares of nominal value 0.1p each on the stock market. This is equal to 10% of the Company's issued ordinary shares. The resolution sets out the lowest and highest prices the Company may pay for the shares.

The Directors are committed to creating shareholder value. Buying back the Company's shares is one of the options they keep under review. The Directors will implement such purchases only if they consider it is in the shareholders' best interests and before making such a decision, they would consider the effect on earnings per share.

The Company may consider holding any of its own shares that it purchases pursuant to the authority conferred by this resolution as treasury shares as an alternative to cancelling them. This would give the Company the ability to re-issue such shares quickly and cost effectively and would provide the Company with additional flexibility in the management of its capital base. The Directors believe that it is desirable for the Company to have this flexibility.

Unless the Directors determine that they are to be held as treasury shares, any shares in its own capital purchased by the Company would be cancelled and the number of shares in issue reduced accordingly. Shares held in treasury would not automatically be cancelled and would not be taken into account in future calculations of earnings per share (unless they are subsequently resold or transferred out of treasury). No dividends will be paid on shares whilst held in treasury and no voting rights will be exercisable in respect of treasury shares.

This power will automatically lapse at the end of the Company's next AGM or, if earlier, on 25 January 2026.

Recommendation

The Directors believe that the proposed resolutions are in the best interests of both the Company and its shareholders and are most likely to promote the success of the Company. Accordingly, the Directors unanimously recommend shareholders to vote in favour of resolutions 1 to 8 inclusive to be proposed at the AGM, as they intend to do in respect of their beneficial shareholdings.

Yours faithfully

Jean-Michel Cosséry
Chairman

You can only appoint a proxy using the procedures set out in these notes.
4. A form of proxy is enclosed. A proxy need not be a Shareholder of the Company but must attend the Annual General Meeting for the Shareholder's vote to be counted. If a Shareholder appoints more than one proxy to attend the Annual General Meeting, each proxy must be appointed to exercise the rights attached to a different share or shares held by the Shareholder. To appoint more than one proxy, each different proxy appointment form must be received by our Registrars, Equiniti Limited, Aspect House, Spencer Road, Lancing, BN99 6DA or by scanning a signed copy and emailing this to ProxyVotes@equiniti.com as soon as possible and in any event not later than 3:00 pm on 23 October 2024.

10. Submission of a proxy shall not preclude a member from attending and voting in person at the Annual General Meeting or at any adjournment thereof.

Appointment of proxies through CREST

11. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment(s) thereof by utilising the procedures described in the "CREST Reference Manual" issued by Euroclear UK & International Limited (the "CREST Manual"). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
12. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & International Limited's ("EUI") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer's agent, Equiniti Limited (ID RA19), not later than 3:00 pm. on 23 October 2024. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST applications host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner

prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

13. CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.
14. If you are an institutional investor, you may be able to appoint a proxy electronically via the Proximity platform, a process which has been agreed by the Company and approved by the Registrar, Equiniti Limited. For further information regarding Proximity, please go to www.proximity.io. Your proxy must be lodged by 3:00 pm on 23 October 2024 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proximity's associated terms and conditions. It is important that you read these carefully as you will be bound by them, and they will govern the electronic appointment of your proxy.
15. The Company may treat as invalid a CREST Proxy instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Corporate representatives

16. A corporation which is a Shareholder can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a Shareholder provided that no more than one corporate representative exercises powers over the same ordinary shares.

Issued shares and total voting rights

17. As at close of business on 30 September 2024, the last practicable date prior to the publication of this Notice of Annual General Meeting, the Company's issued share capital comprised 929,599,977 ordinary shares. Each ordinary share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company as at close of business on 30 September 2024, the latest practicable date prior to the publication of this Notice of Annual General Meeting, is 929,599,977.

Electronic address

18. You may not use any electronic address (within the meaning of Section 333(4) of the Act) provided in this Notice of Annual General Meeting (or in any related documents including the hard copy form of proxy) to communicate with the Company for any purposes other than those expressly stated.
